SPECIES

CHERRY

Cherry ranges from white to deep browns with the occasional pinkish-brown hues. The beauty of cherry increases as it darkens with time.

GLAZE FINISHES

ALABASTER GLAZE

CHOCOLATE GLAZE

CARAMEL GLAZE

Glazed finishes are produced by applying a contrasting glaze finish coat over our standard finish. The glaze is then removed by hand wiping. This process leaves the contrasting glaze in the grooves and corners. A clear sealer is then applied. Each cabinet will have a subtle hand finished appearance. Our craftsmen take pride in the detail and quality of their glazed cabinets giving each a unique appearance.
